

# Make Cymbals

## Cymbals

Have an adult help you make some cymbals using the following directions.

### Materials:

- pen or sharpened pencil
- two cabinet knobs
- two disposable pie tins

### Directions:

1. Use the point of a pen or pencil to poke a small hole in the middle of each pie tin.
2. Attach the cabinet knobs to the pie tins by screwing them into the holes.
3. Hold each pie tin by the cabinet knob. Then clap the pie tins together.

## Finger Cymbals

Now make some cymbals that are small enough to fit on your fingers.

### Materials:

- hammer
- two metal bottle caps
- small nail
- yarn or string

### Directions:

1. Have an adult use a hammer and nail to make two small holes in the center of each bottle cap.
2. Loop a small piece of yarn through the holes in each bottle cap. Then tie a knot in each piece of yarn.
3. Slip your fingers into the loops. Pinch your fingers together to play your cymbals.
