Bead Necklace

Materials

- 1 cup (250 ml) each flour and salt
- water
- paint and paintbrush
- yarn

Directions

1. Mix flour and salt with enough water to form clay.
2. Shape clay into beads, using a toothpick to make a hole. Bake at 200° F (100° C) until hard. Paint.
3. String beads on yarn.

Nature Necklace

Materials

- shells, beads, bones
- fishing line or dental floss

Directions

1. Cut floss or fishing line to the desired length.
2. Tie or string natural objects at intervals on the floss.

Elephant Hair Bracelet

Materials

- pliers
- black nylon cord or black yarn
- thin wire or gold-colored jewelry fasteners

Directions

1. Use black cord or yarn to make several wrist-size loops.
2. Wrap pieces of wire or a fastener around the loops at 1-inch (2.54-cm) intervals, using pliers to tighten.
